

St, Joseph's, St Mary's, St Cecilia's and St Peter's Invitation to a meeting

The Northern Ireland Commission for Catholic Education's (NICCE) Post Primary Review team launched a consultation document for Derry City in March 2010. The document 'Catholic Education For All' outlines a vision for Catholic Post primary education in the Derry City Project area. It proposes to establish a Derry City Foundation of schools where schools will be strongly collaborative, mutually supportive, viable and sustainable 11-19 all ability schools catering for about 7,000 young people.

NICCE want to hear from parents, teachers and staff in schools and indeed anyone who has an interest in the delivery of children's education or who will be affected by these proposals.

The principals of St Joseph's, St Cecilia's, St Peter's and St Mary's invite you to a meeting in **St Mary's College on Wednesday June 2nd 2010 at 7.00 p.m.** to explain the consultation process, outline some of the challenges including declining demographics, the debate over the ending of academic selection, changes in the curriculum and the development of area-based planning and encourage you to make your views known to the commission. The meeting will last no longer than an hour.

If you cannot attend the meeting please make a response to the consultation at www.pprce.org/post-primary-review/

The deadline for the receipt of responses is 30th June 2010.

We look forward to seeing you on the 2nd June
